“Double Waterfront, Sheltered Cove, Stellar Views”

Plenty of space allow for your imagination to run wild, planning for the future construction of your dream home or island cabin on this +/-12.92 acre lot. The north side of the property has a gently sloping beach with a cove landing, a potential site for future dock construction. Strong bluffs on the south side allow for dramatic elevated views. This amazing island property is located about 4 miles from Sitka by boat in the midst of never-ending great views, wonderful fishing, and pristine natural surroundings. Call today to find out more!
